HoDs' messages...

Dr. V Chandra Sekhar,
HoD, Dept. of CSE

"The aim of education is the knowledge, not of facts, but of values."

—William S. Burroughs

The essence of education resides in the responsibility one undertakes to further the society. The role of any academic institution, therefore, is not only dissemination of knowledge but also the upliftment and protection of the values in the society. Education, thus, should not only focus on ensuring that the students become aware of this responsibility but also prepare them to be the leaders of tomorrow.

SRKREC envisions a platform where such talents can be properly cultivated. The college proactively engages in ensuring the rapid and sustained growth of the students through various channels so that they can ensure the atmanirbharta of our future. The college provides excellent infrastructure in an attempt to realize the potential of our students. It is my strong belief that it is only when we ensure the future of the students can the future of the country be safeguarded. Best wishes to all!

- V Chandra Sekhar

Dr. ACS Vara Prasad,
HoD, Dept. of Civil

In this modern cosmopolitan world, the threads of interpersonal exchanges have created a society wherein one's role has diversified. In the words of Malcolm X, "Education is the passport to the future, for tomorrow belongs to those who prepare for it today." These words aptly convey that the zest needs of the students should be internalized in order to prepare them for their future. In any career, one needs marketable skills and willingness to improve constantly. It is only those few who are willing to improve would be able to achieve success.

SRKREC is one of the few institutions which believes in the motto – constant improvement begets constant results. The college supports the students and creates an atmosphere where they can improve constantly. It firmly believes that the students, being the pillars of the future, need to constantly innovate and ignite the spark which allows them comprehensive development. In order to facilitate this, the college has excellent infrastructure in place and has also collaborates with various departments and organizations to bring to the forefront a platform for the students. It is with great heart that I wish all the students a brighter future!

- ACS Vara Prasad

Campus Placements

It is said that a journey of a thousand miles starts with a single step. It is imperative for the sustainable growth of students' professional life that they gain good placements as it helps them better their careers. The T&P Cell, with the support of the Management, facilitates qualitative training as well as internships for both service-based and product-based companies, which are compatible with the students' academic excellence. The placement record of the students of 2022 passed-out batch is highly commendable. Mr. Shaik Jafer, and Mr. M Sriram Varma from CSE got selected for AMAZON with 44LPA, 5 other students of CSE made it to Walmart, and Mr. Pranav from ECE, and Mr. Likhith from MECH got placed in Gainsight with 9.25 LPA. The Management and the Principal, SRKREC, congratulated the students and the T&P team for their perseverance and hard work.

The Management and the Principal, SRKR Engineering College, congratulated Ms. Ch Mahima Bharathi, CSE, for getting placed in Amazon with 44 LPA, and Ms. D Yojita, IT, 2022 passed-out batch, for getting placed in one of the reputed Software Companies with 20 LPA.

The placements took momentum for the present 2023 batch students and nearly 430 students got placed in various reputed companies.

Placement Day 2022

The T&P Cell of SRKREC celebrated the Placement Day on 8th June 2022. The 2022 passed-out students with job offer more than 10LPA participated in the celebration along with their parents. The Management and the Principal, SRKREC, cut the cake in the presence of the students, the parents, and the faculty as a token of cherishing thumping placements for 2021-22 passed-out batch. They appreciated and presented a memento to each student and his/her parents. Some of the parents shared their heartfelt feelings and expressed their thankfulness for the realization of the dreams of their children.

Campus Placements

On-campus Placement drives

Post-pandemic, SRKREC geared up for the Campus Placement drives with all the necessary arrangements.. The on-campus drives took momentum. The **SIFY Technologies** campus drive took place on 24th June 2022, **EPAM** drive took place on 26th June 2022, and **ZF** drive took place on 11th August 2022. Various other companies of high repute are in line for recruiting the students.

Centre for Foreign Languages

Learning foreign languages is going at a great pace at SRKREC and the college is now one of those places where different foreign tongues are well spoken by the young engineers. The students are actively learning French, Spanish and German languages. More than 50 students in French, 45 in German, and 20 in Spanish have completed Level-I training. The students enjoyed learning foreign languages and they also made a few videos conversing in the foreign tongue and uploaded them to Youtube. The second level program for all these languages will start in the second week of Sept. 2022. Also, new batches for Level-I will begin after the commencement of first year class work. This time, Japanese will also be offered adding to the list of French, Spanish and German. Some of the faculty utilizing this facility successfully completed German Level-I test from Goethe Institute, Chennai, and are ready to take up Level-2 in Sept. 2022.

Sagi Achyuta Rama Raju Memorial Gold Medal

Encouraging various research endeavors and accomplishments, Sri S V Ranga Raju, Vice President, SRKREC, constituted a gold medal in memory of his father (Late) S Achyuta Rama Raju, to honour the faculty with the best research project every year. Owing to the Covid-19 pandemic, all activities got to a standstill everywhere. So, this year the medals are given away to Prof. PARK Raju, WET Center, and Prof. M Jagapathi Raju, the Principal, SRKREC, for their research projects in the presence of Dr. D R Prasad Raju, former Scientist, DST, Govt. of India, when he visited the campus on 24th Aug. 2022 and reflected on various research projects and funding agencies.

Global Research Interactions: SPRING project

Research and innovative ideas are one the most important part of any academic institution. It allows one revitalize the present technology and also creates a hunger for innovations. The faculty and the students of SRKREC are invariably committed to bringing about constructive and innovative collaborations, which helps further the society as well as the institution.

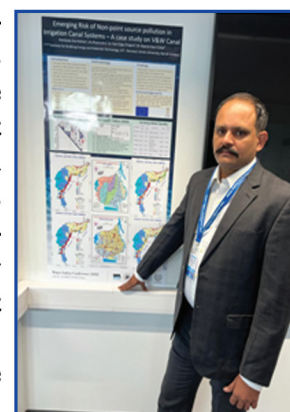

Dr. PARK Raju, the Principal Investigator (SRKREC) in the DBT-EU Funded Consortium Project titled SPRING, was invited by the organizing committee to make a workshop at the IWA (International Water Association) Water Safety Conference 2022 held from 22nd to 24th June 2022 at Narvik, Norway. Prof. Raju played drone footage relating to the SPRING project to show the deterioration of water quality from the point of origin at Settipeeta to tail-end.

He also presented the work undertaken in SPRING project Work Packages lead by SRKREC. The presentation was well received, and European researchers inquired about the public health administration in the region and the status of wastewater treatment.

Prof. Raju attended the SPRING Consortium partner meeting on the same day, i.e., 23rd June 2022. The UiT agreed to extend the MoU between SRKR and UiT, looking forward to more fruitful collaborations in the near future. Prof. Bjorn Reidar Sorenson of UiT and Dr. PARK Raju, SRKREC, signed the MoU for another five years in the presence of the SPRING consortium. In this context, all the consortium partners are invited to visit Bhimavaram, India, in October 2022, after the review meeting in Delhi. It is envisaged that the prototype navigation system and the sensor payload will be shipped from Portugal to Bhimavaram by October. Field Demonstrations and trials are expected to take place around that time. Prof. Raju started planning the event to involve all stakeholders and make the project achievements widely known in the region. Prof. Raju also visited Salangfisk AS, a Norwegian Company, famous for high-tech Salmon Fish farming and is based on high technology water recirculation systems supplied by Veolia.

Mr. Nandyala Siva Kishan, Assistant Professor, pursues his doctoral degree as a part of the SPRING consortium project under UiT Norway. He made a poster presentation of his research work at the International Water Association Water Safety Conference-2022 held at the UiT Narvik campus from 22nd June to 24th June 2022. He also interacted with the SPRING project partners and discussed the next project deliverables and pending tasks. He will play a key role in arranging the October 2022 meeting in SRKREC.

Meritorious Moments

Best Research Paper Award

Adding one more feather to the cap of SRKREC, Mr. T Vamsi Naga Raju, Asst. Professor, Dept. of Civil Engineering, received the best research paper award in the ACEER-2022, an International Conference held in China from 4th to 7th July 2022. The Management appreciated his research spirit and congratulated him.

Book Publication

Dr. K Kishore Raju, Assoc. Professor, the Dept. of IT, published his Doctoral thesis as a book entitled **"Clustering Based Band Selection."**

Book Details:

Invention and Innovation

New ideas, new thoughts, new perspectives are what allow the society move forward without stagnation. It is very much needed if one wants social progress. The students of SRKREC, along with academic excellence, are very much aware of the need for innovations and are inventions. They seek practical and hands-on experience of what they have learnt and readily take up any opportunity to showcase their skills and talents by participating in various events.

Tech-Thon

The Dept. of IT organized a product designing competition Tech-Thon on 5th May 2022 on the campus. This is a multi-disciplinary event where the selected teams convert their ideas into a prototype product within 12 hrs. Students from all the departments participated in the contest.

At the end, all the products are evaluated by the judges in 3 rounds. Dr. Kishore Raju, Mr. B Saibaba, Mr. PRRSSV Raghu and Mr. G Teja Varma Asst. Professors, Dept. of IT, coordinated the event and made it a grand success. Sri S V Ranga Raju, Vice President, and Prof. M Jagapathi Raju, the Principal, gave away the prizes to the winners in the competition. Students from the Dept of AIDS, NRKR Engg. College, won the first prize for Education Web Portal. The 2nd year CSE students of SRKREC got the second prize for Android App that provides signals relating to road dents and speed breakers to the vehicles at the back. A boat that runs with solar system created by the team of students from Vasavi Engg. College, T.P.Gudem, received the consolation prize.

Judges evaluating the student teams

The Management, the Principal, and the Head, Dept. of IT, congratulated Techthon-2022 winners.

MSME Innovation Scheme - 2022

Coming together is a beginning, staying together is progress, and working together is success. The students' ideas from the Dept. of ECE, CSE, and MECH are selected and later got approved for funding under incubation scheme through "MSME innovation scheme-2022". The team of five students - Mr. Bh V N S S R Maheedhar, Mr. B.T S N S Vivek, Mr. B Sri Vamsi, Mr. D Jayaram Ganesh and Mr. D Eureka Varma - under the guidance and mentorship of Prof. N Udaya Kumar, the Head, Dept. of ECE, is going to develop "Drone in Disaster Management". The idea got a funding of Rs. 8 lakhs to develop the project. Also, Ms. P Lakshmi Prasanthi from CSE got Rs. 15 lakhs and Mr. VSVV Nelesh from MECH got Rs. 3.5 lakhs funding. The Management and the Principal, SRKREC, congratulated the teams and the mentors for their spirit of innovation and wished them the best.

Meritorious moments

Academic Milestones

The doctoral degree allows one contribute to one's chosen field of knowledge by research or by aiding others. Taking forward this idea, the teaching fraternity of SRKREC prioritizes research and strives not only to get but also to produce Doctoral Degrees. They constantly publish research papers and try to win patents over them. The Management and the faculty of every department acknowledge the arduous efforts of the researchers.

Dept. of EM&H

Dr. S Ramalingeswara Rao, Asst. Professor, the Dept. of EM&H, received his doctoral degree from JNTUK, Kakinada, for his research work titled CERTAIN MHD HEAT AND MASS TRANSFER FLOWS OVER STRETCHING SURFACES WITH RADIATION, VISCOUS DISSIPATION AND CHEMICAL REACTION. He completed his work under the supervision of Dr. G Vidya Sagar, SRKREC, and Dr. G V S R Deekshitulu, Prof. of Mathematics, JNTUK, Kakinada. The Management and the Principal congratulated him on his achievement and hard work.

Dept. of CSE

Dr. K Aruna Kumari received her doctoral degree from KL University, Guntur, for her work titled OPTIMIZING THE MIGRATION OF VIRTUAL MACHINES WITHIN CLOUD COMPUTING SYSTEM under the supervision of Dr. K Rajasekhar Rao, the Director, Usha Rama Engg. College, Telaprolu, and Dr. J K R Sastry, Professor, Dept. of ECM, KL University. The Management and the Principal appreciated and wished her the best.

NPTEL 'A Grade' to SRKREC

The academic endeavors of the faculty and the students of SRKREC made the institution one among the first 100 institutions nationwide. Rated as valuable local chapter of SWAYAM-NPTEL, the institution got an 'A Grade' and recieved the Certificate of Appreciation from the IIT Chennai in this regard. Sri SRK Nishant Varma, the Secretary cum Correspondent, handed over the certificate to Prof. M Jagapathi Raju, the Principal, SRKREC. Speaking on this occasion Dr. NGK Murthy, the Technology Center, enunciated that NPTEL Center started in 2017 in SRKREC. Since then, 6000 students completed certification courses offered by different IITs across the country on MOOCS platform and got benefitted. A good number of faculty received significant awards for their efforts and contribution to NPTEL.

Academic Prizes

Due to Covid-19 pandemic, the distribution of academic prizes for the students of 2018-19, 19-20, 20-21 passed-out batches got postponed. With the support and encouragement of the Management, the Dept. of ECE invited the students and their parents of all three batches who excelled in their academics on 13th Aug. 2022 and gave away the academic prizes and appreciated them. At the end, the prize winners interacted with their juniors in the department.

Women Empowerment Cell Activities

The society is but a reflection of one's cultural values, therefore empowering women and spreading awareness about gender equality is an important aspect when it comes to the development of one's nation. Only when a nation allows progress and upliftment irrespective of gender, can it call itself a progressive nation and this duty to sensitize is on the educational institutions. Striving in this direction, SRKREC Women Empowerment Cell collaborates with various institutions and departments, and conducts guest lectures, seminars, awareness camps etc. to promote women empowerment.

Badminton Coaching Camp

The Women Empowerment Cell in association with the NSS Unit and the Dept. of Physical Education arranged a Summer Badminton Coaching Camp for girl students of SRKR Engineering College from 12th April to 31st May 2022. Twenty students actively participated in the camp and got benefitted.

World Environment Day

SRKREC Women Empowerment Cell celebrated World Environment Day on 5th June 2022 on the campus. The theme of the celebrations is "Only One Earth". Sri S Sivarama Krishna, the Municipal Commissioner, Bhimavaram, and Dr. D Vijaya, M.B.B.S, D.G.O, Bhimavaram Hospitals, graced the occasion as the Chief Guest and the Guest of Honour respectively. Prof. M Jagapathi Raju, the Principal, the faculty, and the students took part in the celebrations. Poster-making competition and planting of saplings on the campus was also organised to sensitize the students about the importance of taking up small endeavors to protect the planet. The prizes are given away for the best posters.

Awareness Program

The Women Empowerment Cell of SRKREC organized an awareness program on "Techniques to Tackle the Risk Factors of Cardiopulmonary Resuscitation and Natural Relaxation" on 1st Aug. 2022. Dr. M Govinda Babu, Senior Medical Officer, A.R.T. AERA Govt. General Hospital, Bhimavaram, is the resource person for the event. He explained and suggested various methods to get out of stress, and cardiopulmonary risk factors. Students and faculty got benefitted from the program. In the end, Sri S V Ranga Raju, Vice President, and Prof. M Jagapathi Raju, the Principal, SRKREC, felicitated the resource person.

SRKREC

Alumni

The alumni are the ambassadors of an institution. They foster a sense of community carrying forward the legacy of the institution to the next generation of students. Contributing to their alma mater in diverse ways, the alumni of SRKREC constituted some annual merit scholarships to be given away to the meritorious students.

V Rama Krishna memorial Scholarship

The alumni of the Dept. of ECE in memorial of Mr. Vadapalli Rama Krishna, constituted annual merit Scholarship bestowed on the student of ECE with academic excellence. On the Independence Day, Sri SV Ranga Raju, Vice President, Prof. M Jagapathi Raju, the Principal, and Prof. N Udaya Kumar, the Head, Dept. of ECE, gave away the scholarship of Rs. 10,000/- to Mr. A Sri Harsha Vamsi, for his outstanding academic achievement with CGPA 8.98.

Oruganti Sundari Annual merit Scholarship

Mr. Oruganti Bharat, one of the alumni of the Dept. of ECE, constituted annual merit scholarship in memorial of his grandmother Oruganti Sundari. Sri SV Ranga Raju, Vice President, Prof. M Jagapathi Raju, the Principal, Prof. N Udaya Kumar, the Head, Dept. of ECE, and Prof. ACSV Prasad, the Head, Dept. of Civil gave away the scholarship of Rs. 25000/- individually to Ms. P Kusuma for her exemplary academic achievement as top ranker 3rd year ECE girl student among all the departments, and Ms. J Saranya, for her exemplary academic achievement as top ranker 3rd year Civil girl student among all the departments apart from ECE.

GITA Annual Scholarship

Honouring the then English faculty of SRKREC, (Late) Gita Raj, the girl students of the first four year batches of SRKREC, constituted a scholarship to support and encourage 2 girl students who show gradual academic progress. Adding beauty to this event, the recorded message from Smt. Sobha Raj, the renowned artist and sister of Late Gita Raj, was played in which she voiced her most heartfelt feelings appreciating the students and the Management of SRKREC. The last year scholarship recipients Ms. I Kiranmai of ECE and Ms. A Jyothirmai of Civil gave away the scholarship of Rs. 25000/- individually to Ms. A Lakshmi Sri Vallika, $\frac{3}{4}$ Civil, and Ms. G Satwika, $\frac{3}{4}$ ECE, in the presence of the Management, the Principal, the women faculty, the students, and the staff on 15th Aug. 2022.

Success Stories

Adding one more feather to the cap of the Dept. of ECE, two of its alumni - Ms. N Premanvita (2017 ECE passed-out), and Mr. John Erwin (2009 ECE passed-out) - with all their diligence and commitment succeeded in reaching a great milestone of faring well on the APPSC exams. They got selected as MPDO and Joint Collector respectively, flying high the pride & glory of SRKREC. Congratulating them and their parents, the Management, the Principal, and the Head, Dept. of ECE, felicitated Ms. N Premanvita and Mr. John Erwin in the presence of their parents on the campus and wished them the best in life ahead.

Superannuation

Mr. M Rama Rao

SRKREC is not just an academic institution to most of the faculty who are serving the institution for more than 3 decades, it is their second home filled with warmth and solidarity. For their committed service, the teaching and non-teaching faculty customarily receive a grand farewell at the time of their superannuation as a gesture of honour. Accordingly, the Dept. of Mechanical Engineering felicitated Sri K Satyanarayana, Professor; and Mr. M Rama Rao, the Carpenter, Dept. of Mechanical Engineering, on their respective day of superannuation in July 2022. Prof. K Brahma Raju, the Head, Dept. of Mech, and all other teaching and non-teaching staff of the Dept. wholeheartedly thanked them and wished them healthy and relaxed life ahead.

Autumn Years

Prof. K Satyanarayana

SRKREC Special Days

Special events provide a channel to reinforce the academic scholarship acquired in a classroom. They act as a catalyst for improvement in the holistic development of a student and help the institution focus on the efforts to achieve greater heights. There is often a sense of satisfaction, achievement, and pride in successfully staging special events. These events develop social cohesion and emotional quotient. The interactions and conversations elicited by the events help students develop their relationships.

World Environment Day

SRKREC NSS Unit celebrated the World Environment Day on 4th June 2022 along with the staff and the students. Prof. M Jagapathi Raju, the Principal, Mr. K S S Prasad Raju, NSS Unit Coordinator, and other senior faculty planted saplings on the campus.

Save Soil

Taking forward the call for 'Save Soil' by Sadguru Jaggi Vasu Dev in its true spirits, the SRKREC WEC organized an awareness program for the students, on 5th June 2022 and planted saplings as a token of ecological consciousness; the staff and the students of SRKREC enthusiastically participated in the rally organized by Dr. Vijaya, Bhimavaram Hospitals.

International Yoga Day

SRKREC Pupils' Association for Inner Engineering Cell (PAIE) led by Dr. P Bhavani, the Head, Dept. of Chemistry, celebrated the International Day of Yoga on 21st June 2022 on the campus spreading the awareness about the importance and health benefits of Yoga. Practicing Yoga regularly enables one balance the body and the mind. Sri A V Subbaraju, the Add. Superintendent of Police, W. G. Dist., as the Chief Guest, Sri S Siva Rama Krishna, the Municipal Commissioner, Bhimavaram, as the Guest of Honour, and Sri R V Ramana, the DEO, W.G. Dist., as the Guest, graced the occasion and inspired the students sharing their experiences. The Management, the Principal, the Heads of various departments, faculty and students of SRKREC actively took part in the program.

SRKREC Special Days

Jayanthi celebration of the Founder

Marking the 89th Birth Anniversary of Late Sri Sagi Rama Krishnam Raju, the Founder Chairman and guardian angel of SRKREC, the entire institution, in deep reverence, paid floral tributes to his statue on the campus. On this commemorative occasion, the staff and the students voluntarily donated blood in honour of the great visionary. Senior faculty shared their heartfelt feelings of being a long way with the institution.

Graduation Day

SRKREC celebrated its 39th Graduation Day, the most significant annual event, on 17th July 2022. This year turned out to be the best with the highest placements and best packages, which boosted the morale of the whole student community. Wearing graduation gown and the cap, the young graduates enjoyed the celebrations with high spirits. Prof. GSN Raju, the Chairman, AICTE Appellate Committee, Vice Chancellor of Centurion University, graced the occasion as the Chief Guest. Addressing the 2022 outgoing students, he re-instilled a sense of responsibility along with professionalism that the young minds must possess for a better society tomorrow and wished them the very best. The Management, the Principal, and the academic leaders of the institution made their suggestions for a fruitful life process.

'Sagi Rama Krishnam Raju Marg' Inauguration

The road that leads to SRKR Engineering college through Bhimavaram town is named after (Late) Sagi Rama Krishnam Raju, the founder Chairman of SRKREC, commemorating his selfless efforts towards the noble cause of strengthening technical education in a rural set-up.

Sri Grandhi Srinivas, MLA, Bhimavaram, and Smt. P Prasanthi, the Collector & District Magistrate, W.G. Dist., inaugurated 'Sagi Rama Krishnam Raju Marg' on 26th June 2022 in the presence of Sri S Prasad Raju, the President, Sri S V Ranga Raju, Vice President, Sri G Rama Raju, Vice President, Sri SRK Nishant Varma, the Secretary cum Correspondent, Prof. M Jagapathi Raju, the Principal, SRKR Engineering College, the significant local and surrounding area leaders, various officials and close associates of the institution, SRKREC staff and students, and the people of Bhimavaram town.

SRKREC unanimously holding high the glory of 42 years of academic journey.

New look of SRKREC endorsing GO GREEN and SAVE SOIL

The march of the staff of SRKREC on 'Sagi Rama Krishnam Raju Marg' celebrating the day of naming of the road and saluting the founder of the institution Late Sagi Rama Krishnam Raju.

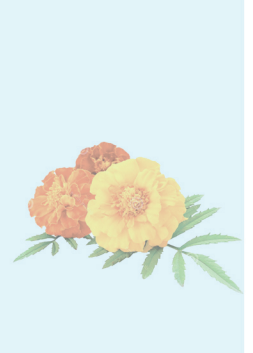

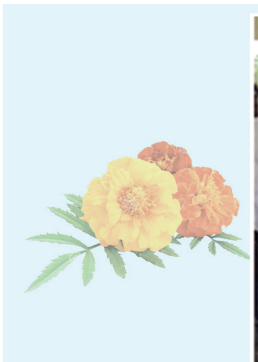

Azadi Ka Amrit Mahotsav

Enlivening the spirit of revolutionary hero, Alluri Sita Rama Raju, on the eve of his 125th birthday, SRKREC made a week-long celebrations on the campus conducting various programs paying tributes to the great soul. The celebrations ended with the historic event of unveiling the statue of the freedom fighter by the Hon'ble Prime Minister Sri Narendra Modi in Bhimavaram town. With great enthusiasm, SRKREC made a mark of its own in the event.

Felicitation to Mr. Srirama Raju, grandson of the brother of Alluri Sita Rama Raju at SRKREC

The leaders of SRKREC paying floral tributes to Alluri at Mogallu village

SRKREC is on the forefront of carrying forward Har Ghar Thirang as a part of Azadi Ka Amrit Mahotsav. Holding high the pride of India, the leaders and the faculty of SRKREC paid tributes to the revolutionary, Alluri Sita Rama Raju.

The Management, the leaders, the staff, and the students of SRKREC participated in the vehicle rally of Har Ghar Thirang on the eve of Azadi Ka Amrit Mahotsav celebrations.

The Principal, and the faculty of the Dept. of Physical Education, SRKREC, celebrated Har Ghar Thirang with the Basketball players who came to participate in the tournament on the campus.

Sri Narendra Modi's visit

Students of SRKREC made a significant mark of patriotism and excitement in front of the Hon'ble Prime Minister Sri Narendra Modi when he visited Bhimavaram on the eve of unveiling the statue of 'Manyam Veerudu' -Alluri Sita Rama Raju.

76th Independence Day celebrations

SRKREC celebrated 75 years of Independence flying high its theme 'Ek Bharat, Shresht Bharat' and paid rich tributes to the freedom fighters. Carrying forward the spirit of Azadi Ka Amrit Mahotsav SRKR Engineering College felicitated war heroes of West Godavari district, championed Har Ghar Thirang along with school children and organised many other events. Above all, it played a significant role in paying tributes to the revolutionary, Alluri Sita Rama Raju.

Hoisting and saluting the national flag, the Management, the Principal, the staff and the students sang the national anthem with pride, released tri color balloons and planted saplings on the campus. Some of the students spoke on this occasion reminiscing the sacrifices of the freedom fighters and expressed their determination to carry forward the pride and glory of the country contributing to its betterment in all aspects.

The Management and the Principal appreciating the commitment and hard work of the Heads and Deans of various departments felicitated them with a shawl. They gave away the annual merit scholarships constituted by the alumni to the meritorious students. The NCC Cadet from DNR College and school children from Narayana school also took part in the celebrations. The program ended with the distribution of sweets.

Raising the Curtain

Research Centers

The essence of education is in the ability to innovate. In order for the students to realize their potential, the Management of SRKREC facilitated state-of-the-art infrastructure, which aids them in their growth. These facilities create an atmosphere where the students can bring out their various talents and innovations. With all the required facilities and strong support from the Management, the institution progresses in the direction of multidisciplinary research endeavours as per the guidelines of NEP-2020. Accordingly, 6 technical departments and a few non-technical departments got recognized as research centers, which includes the Dept. of Chemistry as well. The Management and the Principal appreciated the Heads of the Departments for getting research center recognition and wished them the best for their multidisciplinary research endeavors.

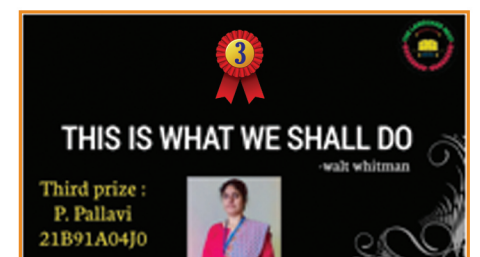

Utility Center

With the growth and expansion of the institution various facilities also increased. In order to bring the best and optimum utility of the facilities, a Utility centre is inaugurated by Sri S R K Nishant Varma, the Secretary cum Correspondent. Speaking on this occasion he requested all the faculty to utilize the services of the Center.

Language NEST Activities

A platform for creative interaction and performance, the Language Nest, the literary club of SRKR Engineering college, is vibrant on the campus. It has been actively conducting its monthly events aimed at improving the language and the leadership skills of students. In the month of July, the club successfully conducted a poetry recitation contest and announced three winners. Mr. Ch Sairam of I/4 ECE, Ms. Ch Kavya of I/4 CSE, and Ms. P Pallavi of I/4 ECE won the first, second and third prizes respectively. These students are declared as winners after judging their self-recorded videos containing their recitation of poems of their choice. A total of 31 students participated in the contest.

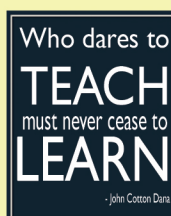

Knowledge Sharing

Cultural richness of any civilization is the direct result of efficacious practice of knowledge sharing. It has been an established fact across times and places. Institutions of higher learning have played a significant role in bearing the responsibility of perpetuating this timeless practice. Being a firm believer of this, SRKREC religiously promotes knowledge sharing among its students and faculty by involving them in all sorts of knowledge exchange programs that have the capacity to inscribe this attitude. To accomplish this the institute has become an inseparable part of a network of premier academic institutions and industries of national and international repute.

FDPs

The Dept. of CSE organized a one-week FDP on Mobile Application Development from 8th to 13th Aug. 2022. Mr. Kanumuri Narasimha, Full Stack and Mobile App Developer, BLACKBUCK Engineers Pvt. Ltd., is the resource person. He gave invaluable inputs relating to Android technology and other mobile app development. Sri S V Ranga Raju, Vice President, and Prof. M Jagapathi Raju, the Principal, appreciated the coordinators of the program and all the participants as well. On the concluding day of the program, the Principal gave away the certificates to the participants.

The Dept. of CSE in association with BLACKBUCK ENGINEERS organised a one-week FDP on Full Stack Development from 1st to 5th Aug. 2022. Mr. Kanumuri Narasimha, Full Stack and Mobile App Developer, BLACKBUCK Engineers Pvt. Ltd., gave priceless inputs relating to the basic tags of HTML and CSS, the concept of Java Script in both client and server side to develop the skill in creating dynamic web pages with java script and server-side programming using node.js, React.js. The faculty actively participated and updated their knowledge and understanding.

SUPERNOVA-2K22

Post pandemic, to tap the creative energies of the students, the Dept. of Civil Engineering organized a national level symposium SUPERNOVA-2K22 on 7th May 2022. Speaking on this occasion, Sri S V Ranga Raju, Vice President, SRKREC, reflected on the significance of symposium in upgrading the dynamics of emerging technologies in civil engineering and appreciated the participants. The Dept. felicitated one of its alumni Mr. V Appala Raju, the Director, LSV Constructions.

Spurthi-22

The Dept. of CSE organised a national level symposium SPURTHI-22 on 7th May 2022. The Management and the Principal appreciated Dr. M Srihari Varma and Smt. K Aruna Kumari, the coordinators of the program and the participants as well.

Knowledge Sharing

SANKALP-2022

The Dept. of EEE organised a two-day national level workshop SANKALP-2022 on 7th and 8th May 2022. Around 300 students participated and got benefited. Mr. Peer Ahmed Khan, the Electrical Executive Engineer (Operations), is the resource person of the program. He reflected upon the significant changes coming in the Electrical power production and supply and gave insightful information on emerging technologies to the participants to take home. The Management and the Principal appreciated Smt. K Swetha, Asst. Professor and Smt. I Swetha Monica, Asst. Professor, Dept. of EEE, for organizing effectively the workshop.

WORKSHOP

SRKREC in association with Rajiv Gandhi National Institute of Intellectual Property Management (RGNIPM), Govt. of India, Nagapur, organized an online workshop on Intellectual Property Rights (IPR) & Patents and Design Filing on 25th July 2022 as a part of IPR awareness mission. The resource person Mr. Kumar Raju, Asst. Controller of Patents & Designs, IPO Mumbai/RGNIPM Nagapur, gave insightful details regarding IPR and Patents filing. Dr. K Suresh Babu, Dept. of Mechanical Engineering, coordinated the program. Faculty enthusiastically participated in the workshop and got benefitted.

GUEST LECTURES

The Dept. of ECE arranged a guest lecture on “Introduction to Perception – A Building Block in Modern Deep Learning” by Dr. Soma S Dhavala, Principal ML Scientist, Wadhvani Institute for AI, Bangalore, on 29th April 2022. Dr. Soma S Dhavala discussed the importance of the field which is gaining ground in recent years. He suggested various application areas in which deep learning

is used and discussed difference between Machine Learning and Deep Learning, and Deep learning and neural networks. The interactive session helped the students gain knowledge in the discipline. The event is coordinated by Smt. S. Swathi, the Dept. of ECE. Around 45 staff members and students attended the lecture session.

The Dept. of ECE invited Sri P Muni Kumar, Wing Commander (Retd., IAF) Sr. Architect, BOSCH Global Soft. Tech., Bangalore, for a guest lecture on “Diverse Career Options” on 30th April 2022. Beginning with sharing his career/corporate experiences from different companies, and his life experiences, Sri P Muni Kumar delivered a highly effective talk on goal setting and career planning. The students interacted with the speaker for their career prospects. The event is coordinated by Smt. S Swathi, the Dept. of ECE. Around 45 staff members and students attended the lecture session.

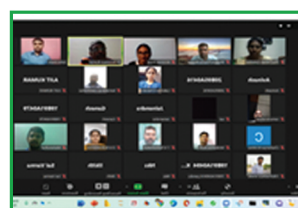

The Dept. of ECE arranged a guest lecture on “Career Development and usage of IDEA Lab” by Sri N Hari Krishna, Head, Strategy and Planning Department, GMR International Airport, Hyderabad, on 7th May 2022. Sri N. Hari Krishna delivered his lecture on the importance of knowledge gain, attitudinal and additional skills for a successful career. He shed light on the career opportunities in various allied domains of engineering. He stressed on the presence of competition in the outside world and how the young architects need to be prepared for various challenges. Around 107 staff and students participated in the session very enthusiastically. Smt. G Prathima, Dept. of ECE, coordinated the session.

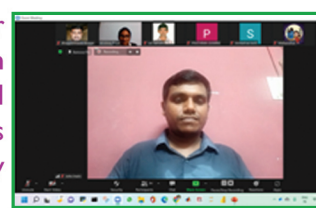

GUEST LECTURES

The Dept. of ECE invited Sri T N V Mani Kumar, Sub Divisional Engineer (Enterprise Business), Bharat Sanchar Nigam Limited, Tanuku, for a guest lecture on “Digital Technologies for Older Persons and Healthy Ageing” on 17th May 2022. He delivered a talk on technology, recent trends and global insights of Telecommunication. The talk provided the students a platform for sharing their thoughts and the students gained knowledge in the fields of telecommunication. Smt. G Prathima, Dept. of ECE, coordinated the programme. Around 76 students of ECE and 20 faculty members attended the session.

The Dept. of ECE organised a virtual guest lecture on “Career Guidance for Group Services”. The resource person Mr. John Irwin Palaparthi, Immigration Officer, Cochin International Airport, bagged Deputy Collector position in APPSC-2019 and he is a proud alumnus (2005-2006) of ECE, SRKREC. Around 44 students and a few faculty participated and interacted with the resource person.

TRAINING PROGRAM

AICTE IDEA Lab of SRKREC organized a two-day faculty training program on PCB Prototype – Designing Machine in the Technology Center - from 26th to 27th July 2022. Dr. N G K Murthy, the Head, Technology Center, coordinated the program. Prof. M Jagapathi Raju, the Principal, appreciated the faculty for utilizing the opportunity with zeal, and upgrading their skill sets to give even better inputs to the students.

The Dept. of ECE, and the Dept. of CSE together offered a certification course titled “CCNA: Introduction to Networks” from 23rd February 2022 to 31st July 2022. Mr. P Krishna Kanth Varma from ECE Dept., and Mr. K D V P K Varma from CSE Dept. coordinated the certification course process. The students successfully achieved student-level credential for completing the course coordinated by the instructors. 56 students from ECE (III Year) got certified over their successful completion of the course.

ENTREPRENEURSHIP AWARENESS CAMP

Dr. N Gopala Krishna Murthy and Dr. M Suresh Babu, Technology Center, organised a 3-Day Entrepreneurship Awareness Camp sponsored by DST – NIMAT. Speaking on this occasion, Prof. M Jagapathi Raju, the Principal, SRKREC, emphasised the point that India’s population is among the youngest in an ageing world. Hence, the young minds must get quality entrepreneurship training so that they succeed in establishing start-ups. He advised students to utilise the opportunity to the optimum and fine-tune their entrepreneurial skills. Dr. PARK Raju, the Dean, R&D, Dr. K Suresh Babu, the Dean, Academics, Dr. N Udaya Kumar, the Head, ECE, and Dr. D Venkatapathi Raju, the Head, EM&H, participated in the inaugural and motivated the students highlighting the need and importance of start-ups.

Knowledge Sharing

INDUSTRIAL VISIT

As a part of Entrepreneurship Awareness Camp, the Technology Center, SRKREC, in association with NETENRICH and OPSRAMP arranged an industrial tour for the students of CSD and CSBS. Around 65 students participated and the visit helped them in understanding software working culture, Technologies & Development process, projects in NETENRICH & OPSRAMP, and internship opportunities as well.

AWARENESS ON RESEARCH PROJECTS AND FUNDING AGENCIES

Prof. PARK Raju, the Dean, R&D, SRKREC, organised an interactive session with Dr. D R Prasad Raju, former scientist, DST, one of the members of the Advisory Council of SRKREC, on various research projects and funding agencies on 24th Aug. 2022. Around 400 faculty members attended the session and clarified their doubts regarding research proposals and funding agencies. In the end, the Management felicitated Dr. Prasad Raju, the resource person and sincerely thanked him for sparing his precious time and sharing invaluable information.

MoUs

As a part of broadening the scope of research and consultancy on Healthcare Solutions, SRKREC signed an MoU with SALCIT Technologies Pvt. Ltd., Hyderabad, on 11th Aug. 2022. Sri S V N Narayana Rao, the CEO, SALCIT Technologies, Hyderabad, and Sri S V Ranga Raju, Vice President, SRKR Engineering College exchanged the documents.

SRKREC made an MoU with MSME Technologies, Visakhapatnam. Mr. G Prasad Reddy, the Deputy General Manager, MSME Technologies, handed over the permission letter to Sri S R K Nishant Varma, the Secretary cum Correspondent, SRKREC. This enables the institution test new software to facilitate engineering students to undertake projects. A team of professors and students of SRKREC will visit the MSME Technologies and take up new initiatives and projects at the earliest.

"One of the most important areas we can develop as professionals is competence in accessing and sharing knowledge."

High Spirits

Young minds of high spirits generating fresh ideas and contributing to human progress are nothing less than a blessing to a nation and the world. Every such young mind is an unpolished jewel waiting to shine. SRKREC has such treasure in abundance and the new education system is committed to providing an ecosystem conducive to enrich inclusive and multidisciplinary approach in all walks of life. Supporting a variety of activities, SRKREC enables its students practice independent empirical thinking while exploring and executing innovations. The institution generously patronizes all student-driven innovations and events proposed by various student bodies on the campus.

SMART INDIA HACKATHON-2022 WINNERS

Representing SRKREC, the team DIGITAL BRAINS consisting of P Pranav Teja, $\frac{3}{4}$ IT, M Ganesh Babu, $\frac{3}{4}$ CSBS, K N V Gowtham, $\frac{3}{4}$ IT, S Charan Sai, $\frac{3}{4}$ IT, K Hema Sai Praneeth, $\frac{3}{4}$ IT, G Aishwarya, $\frac{3}{4}$ IT, under the mentorship of Dr. Mudunuri Suresh Babu, Technology Center, and Mr. M Jagadeesh Reddy, alumnus (2018-22 passed-out batch) participated and came out as winners in SMART INDIA HACKATHON-22 held at Pune on 26th Aug. 2022. The team won the **First prize** and received Rs. 1 lakh for developing the problem statement of the Government of Maharashtra.

Another team CHARGED HULK consisting of Ms. V Swetha, 4/4 ECE, Ms. P Kusuma, 4/4 ECE, Ms. P Manya Sri, 4/4 ECE, Mr. L Harsha Vardhan Naidu, $\frac{3}{4}$ EEE, Mr. V Kishore Kumar, $\frac{3}{4}$ EEE, Mr. U Satya Sai, $\frac{3}{4}$ EEE under the mentorship of Mr. K. Pavan Kumar, Asst. Professor, the Dept. of EEE, and Dr. N G K Murthy, the Technology Center, participated and won the **SECOND prize** in SMART INDIA HACKATHON-22 held at Jaipur on 26th Aug. 2022. The Management, the Principal, and the entire institution congratulated both the teams whole-heartedly. The Management felicitated the students and the mentors of both the teams with an appreciation certificate and individual cash prize of Rs 5000/- and Rs. 3000/- to the First and the Second prize winners respectively.

PROJECT EXPO - 2022

The Dept. of EEE organized a PROJECT EXPO-2022, on 23rd May 2022. Around 250 students actively participated and presented their projects and got benefitted. Prof. M Jagapathi Raju, the Principal, and Prof. B R K Varma, Head, Dept of EEE, were all ears when the students presented their projects. They motivated the students with their presence and attention.

High Spirits

TRANCE - 2022

A National Level Student Technical Symposium “TRANCE-2022” was successfully conducted in the Dept. of ECE for engineering students on 7th May 2022. The objective of this symposium was to bring the students of various streams from different institutes onto a common platform where they interact and share their innovative ideas and knowledge. The symposium included six main events: Techno geek (coding skills contest), Revelant (poster presentation), Art Gallery (Art work & Collections), Nexus (Hardware expo & design), Conception (Quiz), Exposition (PPTs). Dr. N Udaya Kumar, Head, Dept. of ECE, and Sri G V S Padma Rao, Professor, Dept of ECE, acted as Convener and Co-convener respectively. More than 140 students from various colleges took part in the symposium.

TECHFLEET 2K22

TECHFLEET is a national level conference for the Engineering and Technological students organised by the Dept. of IT. The TECHFLEET 2K22 took place on 7th & 8th May 2022. The conference includes Technical events such as Paper Presentation, Idea Presentation, Coding contest, Technical Quiz etc. Students from various engineering colleges in and around west Godavari District actively participated in the conference. As a part of social responsibility, students organized project expo with the theme “Role of IT in Pandemic”. Organizers made an 8 ft. diameter globe and the projects are displayed around the globe. Prof. Bh V S R K Raju, the Head, Dept. of IT, is the Convenor while Dr. I Hemalatha, and Dr. K Kishore Raju acted as Coordinators of the conference. Students belonging to IT, AIDS, and CSBS braches actively took part in the event.

High Spirits

ISTE NIPUNA-22

SRKREC Student Chapter of ISTE organised a two-day NIPUNA-22 in April 2022. Dr. D Soma Sekhar, Principal ML Scientist, Vadhavani Institute of AI, Bangalore, inaugurated the programme on the college campus. The Chief Guest advised the students to take part in various national and international conferences for constant upgradation of knowledge in the chosen stream of engineering. Students actively participated in various events and enjoyed the program. Prof. M Jagapathi Raju, the Principal, Prof. P Subba Rao, the ISTE Coordinator, Mr. NNV Giridhar, the Chairperson, Mr. K Harsha Vardhan, the Secretary, ISTE Student Chapter, felicitated Dr. D Soma Sekhar, the alumnus of SRKREC, and thanked him for taking time to visit the alma mater and sharing knowledge with the young minds.

FIT INDIA Challenge WINNERS

To spread awareness among all age groups for physical exercise through Yoga and Pranayama to balance one's mind and soul, the Hon'ble Prime Minister Sri Narendra Modi initiated Fit India Movement. SRKREC readily endorses any government initiative. Accordingly, the students of SRKREC actively participated in Fit India Challenge category II & III and came out with flying colours. Sri S Satya Pratik Varma, the Member, General Body, and Prof. M Jagapathi Raju, the Principal, congratulated Mr. G Kumar Babu and Mr. P Swamy Kiran, III B.Tech (Mech), who stood as winners in FIT INDIA Challenge, Category II at national level.

SEKREC PAIE Cell, the NSS Unit, and the Dept. of Physical Education jointly assisted 1500 students to perform meditation on the campus under Fit India Challenge Category III. The students actively participated and brought laurels to the institution as winners at national level. Prof. M Jagapathi Raju, the Principal, congratulated the organizers and the student participants.

Sharing Expertise

Upgrading and sharing one's knowledge is a significant aspect of a teacher. Faculty getting recognition in this aspect is a pride to any academic institution. Dr. N Satish Kumar, Asst. Professor, Dept. of English (T&P), SRKREC, was invited as the

Chief Guest to the inaugural function of 'English Club' at Sri Y N College (Autonomous), Narasapuram, W.G.Dist., on 14th July 2022. Addressing the students, he reflected on the importance of language club in academic institutions and how it impacts the prospects of the students. The Management and the faculty felicitated him with a memento and thanked him sincerely for his contribution. He will hereafter serve the club as an Honorary Member of the Advisory Committee.

Stimulations

“Communication – the human connection – is the key to personal and professional success”, says Paul. J. Meyer thereby reiterating the fact that humans are social animals. The student life offers a plethora of chances for interacting with the fellow students thus allowing them the chance to further socialize. This interaction is the key to effective community building and it also encourages them in fostering better inter-personal skills. It creates in them a sense of belonging thereby increasing the academic performance and making them to be receptive of the different academic and social demands. Various departments of the college have different methods to foster student-interactions which offer greater impetus towards student learning and create an atmosphere where the student feels welcome.

Interactions

Dr. N Sudharsan Rao, a famous comedian in Telugu Film industry, former faculty of SRKREC, visited the campus on 12th May 2022 and shared his experience with the faculty and the students. He shed some light on how essential the education is in building a better environment in the society. Sri S V Ranga Raju, Vice President, and Prof. M Jagapathi Raju, the Principal, felicitated Dr. Sudharsan Rao and thanked him for sharing his experiences.

YES+ Program

Celebrating YES+ Day on 13th May 2022, the PAIE Club of SRKREC enunciated the importance of YES+ course, a flagship program of ‘The Art of Living’ of Guru Sri Sri Ravi Sankar, and its necessity to the newly joined engineering students of the institution. Dr. P Bhavani, In-charge of PAIE Club, drove the students to the immense benefits of the program in terms of growing healthy and hale for better life process. Sri S V Ranga Raju, Vice President, Prof. M Jagapathi Raju, the Principal, and Dr. P Bhavani, in-charge of the Club, appreciated the students for their active participation in the course.

Connect

The duty of the educated is not only dissemination of knowledge but also upliftment of the standards of the society at large. It is the responsibility of the educated to act as a pillar whenever the society needs someone to lean on. This partnership between the society and the educational institution is the key to making a better and prosperous community. Therefore, the NSS wing and the UBA Cell of SRKREC with the constant and proactive support of the Management and the Principal organize a wide range of events keeping the well-being of the society in mind. The students and the faculty members are the champions of these initiatives.

MoU with 3 Blood Banks

Broadening its community service, SRKREC made MoU with 3 local blood banks namely Ananda Blood Bank, ASN Raju Blood Bank and Dharani Voluntary Blood Bank. In association with these Blood Banks the institution not only serves the needy but also instils the sense of social service in the student community.

SOCIAL SERVICE

The faculty and the students of SRKREC are always on the forefront of serving the society in the best possible ways. Smt. V Nagavalli, Smt. K Lakshmi Divya, Assistant Professors, Dept. of ECE, distributed food and study related stationary items to Emmanuel Children's home, an orphanage, Bhimavaram, on 8th June 2022. Around 30 children are helped on the humanitarian grounds.

UBA

The Unnat Bharath Abhiyan (UBA) of SRKREC conducted social awareness programs on Women Health, National Education Policy-2020, Water Management and Conservation, Renewable Energy Resources and Organic farming in Peda Amiram, Kopalle, Jakkaram, Kalla, and Kallakuru villages during the month of July 2022. Dr. PARK Raju, the Coordinator, along with the respective village Coordinators - Dr. T Rambabu, Dr. P Raghuram, Dr. G Suribabu, Dr. K M Ganesh and Sri. J. Jeevan Kumar led the activities in their respective adopted villages. Dr. R Subba Rao and Dr. G N V Kishore from the Dept. of EM&H, helped the team in organising UBA activities. Smt. Vennela, Smt. Madhavi, and Smt. Varalakshmi Devi, Professional Nursing College Faculty, shared their experiences with women participants and gave important health tips. Also, Smt. Vasuki, Agriculture Officer, Smt. Kanaka Durga, Village Agriculture Assistant, offered their help in motivating the current farming community towards organic farming. Ms. Reddy Ramanamma, Nature Farming Expert, explained Zero Budget Nature Farming (ZBNF) techniques to the farming communities attended. The UBA team has decided to continue these awareness programs as extension activities in all the adopted villages.

DISHA APP AWARENESS

SRKREC took active role on spreading the awareness on Disha Mobile App, designed in protection of women safety. Mr. Bh Phanindra Varma, T&P, coordinated the program and he, along with the students succeeded in spreading awareness and motivating people in installing the Disha App across Bhimavaram. Appreciating the services, Sri U Ravi Prakash, SP, Bhimavaram, Sri B Krishna Kumar, CI, 2-Town Police station, Bhimavaram, and the Management, SRKREC, presented a certificate of appreciation to him.

HAR GHAR THIRANG

On the eve of celebrating 75 years of India's Independence, students of SRKR Engineering College, participated in walkathon along with the local people holding Thirang with patriotic pride.

SRKREC UBA Cell, as a part of Azadi Ka Amrit Mahotsav, spread the awareness of Har Ghar Thirang in the schools of the surrounding villages of Bhimavaram town.

FUND FOR THE ARMED FORCES FLAG DAY

Actively taking forward the true spirit of Azadi Ka Amrit Mahotsav, SRKREC NSS Unit initiated fund collection for the Armed Forces Flag Day on the campus. On the occasion of celebrating Kargil Vijay Divas, the Management, the faculty, and the students of SRKREC together donated Rs. one lakh and Sri S V Ranga Raju, Vice President, handed over the fund to Mr. KVS Prasad Rao, the District Sainik Welfare Officer, on 26th July 2022.

FELICITATION TO THE REVERED VETERANS AND MARTYRS' FAMILIES

SRKREC NSS Unit and the Women Empowerment Cell in association with Zilla Sainik Welfare Office, Eluru and West Godavari, felicitated the families of martyrs through the program 'Reminiscences of Revered Veterans' as a part of the Azadi ka Amrit Mahotsav on 11th Aug. 2022. Sri S V Ranga Raju, Vice President, and Prof. M Jagapathi Raju, the Principal, SRKREC, honoured the martyrs' families and the war veterans. Sri S V Ranga Raju, Vice-president, extended monetary support to the mother and the wife of two martyrs and also to the wounded soldiers. The invited guests from the ZILLA SAINIK WELFARE OFFICE shared their reminiscences with the students and motivated them to plan for their career in the Indian Armed Forces.

EYE CHECK-UP CAMP

SRKREC UBA Cell and the Women Empowerment Cell organized a free EYE CHECK-UP CAMP in association with Maxivision Eye Super Speciality Hospitals on 23rd July 2022 at the Panchayati Office of Peda Amiram village.

College & Community Connect

SEEMANTHAM VEDUKA

To inculcate local tradition and culture in the students and enhance altruism in them, SRKR Engineering College UBA Cell and the Women Empowerment Cell in association with Vasavi Club, Bhimavaram, organised Seemantham Veduka for 27 women of Peda Amiram village on 30th July 2022 in the I Block on the campus. Speaking on this occasion, the invited guests shed light on health, nutrition, in-time medical check-up, self and baby care of the pregnant women.

CAD DESIGNING TRAINING

Keeping in view that learning new technologies at an early age escalates the job opportunities, the Dept. of Mechanical Engineering under the aegis of Prof. K. Brahma Raju, the Head, Dept. of Mechanical Engineering, initiated free training program. As a first step, the department organized a one-week free training programme on CAD designing for the students of SMVM Polytechnic College, Tanuku, from 9th to 14th May 2022. The students with great enthusiasm received invaluable inputs on CAD Designing.

HUMANITARIANISM

Students of SRKR Engineering College voluntarily donated blood for the Thalassemia patients. The NSS Unit of the college, in association with the Red Cross Society, Eluru, conducted a Blood Donation Camp on the campus in the presence of the then Principal In-charge Prof. K Brahma Raju, SRKREC.

FREE DENTAL CAMP

Extension activities are always a top priority for SRKREC. The UBA Cell and the WEC in association with Vishnu Dental College organized a free Dental Camp under the supervision of Sri D Someswara Rao, the Sarpanch, Peda Amiram, at the Panchayat office of the village on 22nd Aug. 2022. Sri S Prathik Varma, the Member, General Body, Prof. M Jagapathi Raju, the Principal, Prof. PARK Raju, the Coordinator, Unnat Bharat Abhyan, Prof. Bh V N Lakshmi, the Coordinator, Women Empowerment Cell, SRKREC, Dr Aditya, the Camp Coordinator, Vishnu Dental College, reflected on the welfare initiatives that connects the academic institutions with the surrounding communities for the holistic development of the society. Many villagers utilised the camp and its services.

Sports & Games

For a healthy mind to work effectively, one needs to temper the body with proper activity. Only when one strikes a balance between the body and the mind will the life become brighter. SRKR Engineering College supports both academics and sports equally.

Volleyball Summer Camp

The Dept. of Physical Education organised a Volleyball Summer Camp on the campus for one month in May 2022. Mr. Dantuluri Prabhakara Raju, a Volleyball player, who performed well in many countries, motivated the players to practice well regularly so that they excel in all their endeavours. Another celebrated Volleyball player named Mr. Dantuluri Sivaji Raju delivered a talk on how the governments offer special reservation for jobs in public sector to the players. Prof. M Jagapathi Raju, the Principal, SRKREC, appreciated the players who showed passion towards it.

Shuttle Badminton Tournaments

On the eve of 89th Birthday Celebrations of the Founder (Late) Sagi Rama Krishnam Raju, the Dept. of Physical Education, organized Shuttle Badminton tournaments for both girls and boys. In Girls Singles, the winner is Ms. P Bhavya Jayasri, and the runner up is Ms. T Uma Vaishnavi, whereas for Boys Singles, the winner is Mr. K Noble, and the runner up is Mr. J Sudarshan. Sri S V Ranga Raju, Vice President, and Prof. M Jagapathi Raju, the Principal, appreciated the spirit of the players and gave away the prizes and certificates to all the winners.

Badminton Coaching Camp

The Dept. of Physical Education in association with the Women Empowerment Cell and the NSS Unit of SRKREC organised a Summer Badminton Coaching Camp for both girls and boys from 12th April 2022 to 31st May 2022. Students sincerely thanked Dr. Kiran Kumar, Dept. of EM&H, who gave coaching for Shuttle Badminton. On the last day, Prof. M Jagapathi Raju, the Principal, Prof. Bh V N Lakshmi, the Coordinator of WEC, and Mr. K S S Prasad Raju, the Coordinator of NSS Unit, gave away the certificates to all the students of the coaching camp.

Sports & Games

Sagi Rama Krishnam Raju Memorial Badminton Tournament Selections

The program was inaugurated on 8th July 2022. Sri Srikanth Kidambi, the Chief Guest, graced the occasion virtually, and Smt. Chitturi Satya Usha Rani, the Secretary & Correspondent, SKSD Women's College, and President, W.G. District Badminton Association, as the Guest of Honour, addressed the players and inspired them. Sri S V Ranga Raju, Vice President, and Sri S Satya Pratik Varma, the Member, General Body, SRKREC, kick-started the selection process with a game. The selections ended on 10th July 2022.

Football Tournament

On the eve of celebrating Har Ghar Thirang as a part of Azadi Ka Amrit Mahotsav, the Dept. of Physical Education organized Football tournament on 11th and 12th Aug. 2022. Players from other colleges participated in the tournament and Prof. M Jagapathi Raju, the Principal, SRKREC, appreciated the winners and gave away the mementos and certificates.

National Sports Day

The Dept. of Physical Education celebrated National Sports Day on 30th Aug. 2022 on the campus. In this connection, various sports and games are conducted. On National Sports Day, Prof. M Jagapathi Raju, the Principal, gave away the certificates and mementos to the winners in the Volleyball tournament and the Running race. Speaking on this occasion, he reiterated the fact that along with academics, participation in various sports & games enhances one's health and work potential. He appreciated Dr. P Satyanarayana Raju, the PD, Dr. Ch Hari Mohan, Ms Harika, Asst. PDs, and Mr. Rama Raju, Volleyball Coach, for all their efforts and guidance.

Chess Competitions

The Dept. of Physical Education organized Chess Competitions for both boy and girl students as a part of Azadi Ka Amrit Mahotsav and the prizes are given away on the Independence Day to the winners namely Ms. K Kamala 4/4 IT (First), Ms. T Yamuna Kumari 1/4 CSE (Second) from girls' side and Mr. N Teju 4/4 Civil (First), Mr. B Bhaskar 3/4 Civil (Second) from boys' side.

Badminton Coaching Camp

The Dept. of Physical Education in association with the Women Empowerment Cell and the NSS Unit of SRKREC organised Summer Badminton Coaching Camp for both girls and boys from 12th April 2022 to 31st May 2022. Students sincerely thanked Dr. Kiran Kumar, Dept. of EM&H, who gave coaching for Shuttle Badminton. On the last day Prof. M Jagapathi Raju, the Principal, Prof. Bh V N Lakshmi, the coordinator, WEC and Mr. KSS Prasad Raju, the coordinator, NSS Unit, gave away the certificates to all the students of coaching camp.

Festive moods

Festivals are an integral part of one's cultural identity. They bring people together and enhance the understanding of various beliefs and traditions which are at the roots of one's soil. SRKREC is always proactive in celebrating togetherness for any festive occasion.

KRISHNASHTAMI

On 19th August 2022, SRKREC celebrated Sri Krishna Janmashtami on the campus which marks the birth of Lord Sri Krishna. Mr. E Sita Rama Raju, the Personality Development Trainer, SRKREC, beautifully decorated the idols of Lord Krishna and Radha Devi and performed pooja. The ambience spread a spell of divinity over the campus. In the evening, Mr. E Sita Rama Raju, and Mr. Bangar Raju of college stores, and the students of SRKREC, went to the nearby community and celebrated Krishnashtami by playing the traditional breaking of 'uTTi'. The students enjoyed spending time with all the local people.

VINAYAKA CHAVITHI

On 31st Aug. 2022, the college started Ganesha Chaturdhi celebrations scheduled for 9 days on the campus. Spreading awareness of the need of going eco-friendly to the students and the society, the college ensconced a clay idol of Vinayaka in the Varasiddhi Vinayaka temple of the institution for public prayer and viewing. Sri SV Ranga Raju, Vice President, and Prof. M Jagapathi Raju, the Principal, performed the pooja along with the students and the staff of SRKREC. They wholeheartedly offered prayers and took the 'prasadam' at the end.

కానరాదెప్పటికీ
అమ్మ హృదయం - బిడ్డకోసం అంకితం.
అమ్మ పదం ఒక ముత్యాల హారం...

Brown eyes

Ms. Lasya Buddhharaju, CSE,A,21B91A0550

She has blue eyes and you have brown eyes. She represents the ocean in her eyes, that might lull you into them and captivate you but you represent the ground that holds you still and steady.

The blue in her eyes is like the hazy sky, They might be cloudy and greyish but ends with a drizzle of rain.

But the brown in your eyes is the first hues of sunrise that marks the beginning of the day, They have the soft glow of candles in a dark room.

Her blue might have depths of ocean that might scare people away but the moment you set aside your fears and dive into those depths, you will be promised with treasure in that endless abyss. The electrifying hues of blue in her eyes are embraced by the light of thunder.

Your brown eyes that glow like golden vicious flames can set someone's soul to fire or can illuminate one's soul. The brown in her eyes looks like molten honey adorned by specks of golden dust.

Her eyes might hold the rage and storms of sea but your eyes hold the earthquakes that can make a mountain tremble. Her eyes might be blue but your eyes are the reign queen that rules and commands the world.
